About the OHL

The Ontario Hockey League is a proud member of the Canadian Hockey League which is the world's largest development hockey league with 60 teams in nine Canadian provinces and five American states. In addition to the OHL, the CHL is made up of the Quebec Major Junior Hockey League and the Western Hockey League. Last season, more than nine million fans attended CHL games in the regular season, playoffs and at the MasterCard Memorial Cup. The CHL supplies more players to the National Hockey League than any other league. Last season 527 graduates attended Canadian Universities on scholarships from CHL teams.

This is Exhibit D referred to in the  
affidavit of Andrew J Eckert  
sworn before me, this 7th  
day of February 2012
